- Brett Miers bought up for discussion about a Masters Team event comprising of 4 a side  
Seconded by Julie Lucas  
With trophies and perpetual trophies  
Votes For: Unanimous  
Carried
- CvC for 2018 – to be held in Mackay  
Chad Baker is to look into the costs of transport and storage of the 8 tables  
Les Higginson to advise after 6 weeks if they have a venue to host the event otherwise Bundaberg would be the back up host – this was moved by Justin Thursby and seconded by Justin Gillett (everyone was in favour)  
Les to supply a list of accommodation close to the venue if successful  
The dates they are looking at holding the event in 2018 is end of June – 20<sup>th</sup> to 24<sup>th</sup> to coincide with their show holiday
- Table commitments were still discussed and it was decided that each Association still has a 2 table commitment to the CvC – so first 4 Associations to nominate to hire the 8 tables then the other 4 Associations will have to supply 2 tables
- Each Association is to do some homework into looking how is the best way to store pool tables – to send through their findings after 6 weeks

- Each Association is to email through their best email contacts, ie: Association's generic email address as well as their two delegates email addresses
- Due to the CQ Zone now being an official body, as advised by Greg Dingle, this committee has to go back to their members about how to set up a committee for the CQ Zone. How to arrange nominations for the positions and how and what bank account/s to open for the CQ Zone. To get back to the delegates in about 6 weeks
- C Grade perpetual trophy has to be arranged
- Sponsorship towards live streaming, shirts (logo's), advertising, correspondence, etc – how is the best way for the CQ Zone to move forward with sponsorship?

Meeting adjourned 9.10pm
